### NOTICE 141/2025

---

TO: EMPLOYERS, EMPLOYEES, AND ALL STAKEHOLDERS IN THE AGRICULTURE INDUSTRY

#### RE: END OF YEAR BREAK

We write to advise the industry that the NEC Agriculture Secretariat will be taking a break from 20 December 2025 to 05 January 2026. During this period, although our offices will be closed, we will still be available to provide services as needed. Please directly contact your region's Designated Agent should you have any need arising during the break. We will also keep an eye on our other contact points such as our website chat and emails.

On behalf of the Council and Secretariat of the National Employment Council for the Agricultural Industry, I would like to thank the industry at large and congratulate you on a fruitful 2025, a year in which we commenced under our new strategy and saw through some major achievements. This could not have been done without employees and employers in the agricultural industry.

We hope to come back from the break refreshed and ready to continue to deliver award-winning service to the industry.

Our offices will be fully operational again at 08:00am on 06 January 2026.

We thank you once again for your kind understanding.

Yours sincerely,

---

DAVID MADYAUSIKU  
**CHIEF EXECUTIVE OFFICER**  
20 December 2025

CC: Chairmanship – NEC Agriculture
