## NOTICE 011/2026

---

**To: Employer Organisations, Trade Unions, Employers, Employees and All Stakeholders in the Agricultural Industry in Zimbabwe**

**RE: Opening of new NEC Agriculture offices in Beitbridge, Chipinge, and Mvurwi**

NEC Agriculture is proud to announce the opening of new offices in Beitbridge, Chipinge and Mvurwi for the convenience of the farming communities in these key agricultural heartland areas. Our new offices will be operational commencing on 23 March 2026.

The opening of these new offices is born out of the desire to expand our service provision by coming closer to you, our stakeholders, thereby delivering convenience and uplifting the burden of travelling long distances to access services. Employers and employees alike will now be able to register cases or seek a range of industrial relations services at these offices. These new offices add to our already expansive presence throughout Zimbabwe, adding to our other branches, namely in Bindura, Bulawayo, Chinhoyi, Chiredzi, Gweru, Karoi, Marondera, Mutare, Rusape, and our head office in Harare.

NEC Agriculture heeds the clarion call of the national Government to “leave no one and no place behind” and extends our award-winning professional and innovative services in industrial relations and advisory services through our new offices.
